

Dear Pro-Life Ally,

In the late 1970s, Art Sawyer began a tradition in Annapolis by hosting a yearly march to the State House to redress the State of Maryland's stance on the issue of abortion. For years Art worked tirelessly to promote a culture of life in Maryland. After over 40 years the Maryland March for Life has grown to dozens of organizations, churches, and schools. It has become a centerpiece of the pro-life movement and has grown from a rally to a full social and religious event where pro-lifers from around the state can work together toward a common cause.

We know that this year the abortion lobby is working harder than ever to enshrine abortion rights in our state even now that Roe vs. Wade is overturned. We are continuing to work hard to bring together pro-life leaders from all over our area to work as a cohesive group to stop the advancement of an abortion referendum in its tracks. We also know that Compassion and Choices is working overtime for a seventh re-introduction of a physician-assisted suicide bill which was defeated once again in 2020! We do not need to detail the unprecedented challenges we have faced over the last few years since we know you have been living those same challenges.

This year, we will be bringing back our youth rally, mass, and non-denominational services before the march. Because you have been a supporter in the past or are currently looking to gain more visibility for your pro-life organization, we would like to offer you the opportunity of sponsorship for our annual demonstration.

Additionally, the date of the March will be Monday, March 11th, 2024. To host our event, we still cherish your support and partnership. Please consider one of the following sponsorship opportunities for 2024 to help our March as well as promote your pro-life organization.
